

Practice Leadership's professional consultants will guide you through systems that create lasting practice success. This conference is sponsored by Burkhart, the region's premier dental resource company.

PRACTICE LEADERSHIP & ACHIEVEMENT SEMINAR

DISCOVER BUSINESS STRATEGIES & DENTAL SYSTEMS FOR A THRIVING FEE-FOR-SERVICE PRACTICE

Lay out an action plan to give your team vital direction and focus. Experience significant progress in your practice, increase productivity and reduce stress using these proven techniques in your practice as soon as your next patient day.

During this workshop, you will learn how to:

- Increase your focus on principles of effectiveness to improve your business
- Improve your performance as a team
- Increase and improve leadership skills
- Increase profitability of your practice
- Achieve overhead goals
- Review Human Resource Essentials
- Maximize each team member's potential

Doctor and business partner are invited to join us for this practice developing opportunity!
