

Wondering what the patient experience is like in **YOUR PRACTICE?**

Are you **LOSING PATIENTS** before they even get in the door?

How do you capitalize on the money you've **ALREADY INVESTED** in your team?

Practice Leadership, Burkhart Consulting's newest assessment service can:

- Measure current level of customer service in the practice
- Increase referrals
- Reinforce the positive patient experience in your practice
- Decrease external marketing costs
- Increase treatment acceptance

  
**Practice Leadership**  
BURKHART CONSULTING

Call to schedule today! **800.665.5323**

### Phone Assessment

**\$195**

Practice Leadership will make three anonymous phone calls, compile the results and analyze the findings to provide valuable information for you and your team!

### In-Office Visit Assessment

**\$275**

Practice Leadership will conduct one in-office visit (with no clinical activity) and provide you a comprehensive report for even more feedback.

**Put it on your Burkhart account!**
